

Curriculum Work Proposal 2017-2018

**If you are submitting a team project, please submit one proposal form for the entire team.
Individual time sheets should be submitted separately by each staff member.**

Name of individual or members of a team _____

Primary contact person _____

Email for primary contact person _____

School _____

Grade level or department _____

Please explain succinctly how this project will contribute to the curriculum you teach.

How will the work align with district initiatives such as Common Core, technology and iPad use, equity, or social-emotional learning?

Describe the product you will create and its impact on student learning. Please note that teachers should keep copies of all written or digital products for their records and for review by the Curriculum Director.

Completion Date _____

Approximate total hours required for project _____

Employee or team leader signature _____ **Date** _____

District approval _____ **Date** _____
